# Emmaboda kommun How to sort your waste

Unsure were to throw your waste? Please visit www.mojligheternashusab.se/ or www.emmabodaenergi.se/

## Dustcart collection

**Food waste**
Only food waste such as leftovers, peels, fruits, eggs, tea bags and used coffee filters should go into the bag. Smaller quantities of paper may also go into the bag. Let the food waste drain a little before putting it in the brown bag.

**Residual waste**
Is collected in a bag of your choice and then thrown into the green bin.
For example envelopes, all plastic that isn't containers, vacuum cleaner bags, nappies and chewing gum.

## This should go to the Recycling station

**Plastic containers**
Both soft and hard plastics

**Paper packaging**
Milk cartons, paper bags, egg cartons

**Metall containers**
Cans, aluminium foil, tubes and metal lids

**Newspapers/ Magazines**
No envelopes

**Clear glass**
Only bottles and jars

**Coloured glass**
Only bottles and jars

## This should go to the Recycling central or Second Hand

**Second Hand**
Can your waste be reused by someone else?

**Hazardous waste**
Paint, solvents, aerosols, pesticides

**Sortable**
Water hoses, plastic mats, mirrors with frames

**Corrugated cardboard Packaging**

**Electronics**
Household electronics, batteries, lightbulbs

**Scrap Metal**
All metal that is not packaging for example tools, bicycles, pots

**Wood**
(except Compreg)

## Other fractions

**Inert materials: Concrete, porcelain and ceramics**

**Combustible waste: wallpapers, pillows, books**

**Non recycable: Insulation, mirrors without frames, drinking glasses**

**Compreg**
